Joshua F. Tenorio
Lt. Governor

"Invasive Species Are Everyone's Responsibility"

Import Permit Request: Propagative Material Revised:2021.12.20

Adrian P. Cruz Deputy Director

Director

Please list all requested information of live plants, cuttings, seeds, bulbs, rhizomes, corms, tubers, stolons, tissue culture, grafts and scions. Insufficient details may lead to the rejection of the permit request. **Should your list exceed the number of rows present, please use an additional form.** 

Permits can be emailed to biosecurity@doag.guam.gov or faxed (671) 477-9487. Permits can be picked up between 8:30 and 11:30 am.

Please PRINT clearly in the fields below to ensure that your information is processed correctly.
